North Whins Project Proposals Application Form

This form is for community groups and/or developers looking to create multi-unit developments, and anyone proposing a community benefit project.

We would like to share the proposals we receive with the greater community so that the community is as involved as possible in the ongoing co-creation process. Please tick this box to confirm you are happy for us to share your offer/proposal publically on our or the NFA's website. This is also the home of our 'project incubator' so by sharing there you will have the opportunity to gain support for your project and make the connections you may need to make your project a success.

Please include your project proposal and business plan with this application form

(Only the document you identify as 'Project Proposal' will be shared publically if you ticked the box)
